## Invitation: Pilot Testing of ProSPeReS Project's E-Learning Platform

We are delighted to invite you to participate in the upcoming pilot testing of the ProSPeReS project's E-Learning Platform. This online training activity marks a pivotal moment in assessing the effectiveness of the comprehensive e-learning materials and platform developed by our esteemed consortium.

### Event Details:

- **Date:** October 20, 2023
- **Time:** 9:00 AM – 1:00 PM (CET)
- **Location:** Online [Link](#)

### About the Pilot Testing Activity:

Our pilot testing exercise is primarily aimed at individuals who hold key roles in security-related responsibilities at places of worship. This includes security managers, members of security committees, guards, administrators of religious sites, seminary students, organizers of religious events, volunteers engaged in ensuring security at religious sites and events, religious staff, police officers, and public services cooperating with religious organizations.

This training activity offers an invaluable opportunity for participants to immerse themselves in our meticulously designed e-learning materials and platform. The content has been thoughtfully curated to impart essential knowledge and skills relevant to security protection in places of worship.

### Language:

The pilot testing of the E-Learning Platform will be conducted in English, ensuring accessibility to a broad and diverse audience.

### Equipment Requirements:

To fully engage and make the most of this experience, you will need:

- A device with Internet access, preferably a laptop, to facilitate seamless navigation on the platform.
- A stable Internet connection to ensure uninterrupted access throughout the session.

### Evaluation and Collection of Feedback:

At the conclusion of the session, time will be allocated for your feedback. We will collect participants' insights through an online questionnaire implemented via Google Forms.

### Participation:

If you are interested in joining us for this important pilot testing phase, please RSVP using the following [link](#). Your involvement will play a pivotal role in shaping and enhancing our E-Learning Platform, transforming it into a more effective and user-friendly resource for fortifying security measures in places of worship.
